ELLIS COUNTY
Shorthorn Sale**

Saturday, May 3, 1958

Waxahachie, Texas

BEST OF BREEDING — IN VOLUME
ELLIS COUNTY SHORTHORN BREEDERS'
ASSOCIATION SALE

SATURDAY — MAY 3, 1958

— SELLING —

15 BULLS 49 FEMALES

The bulls include several young, proven sires and others of strong breeding age, coming two-year-olds — bulls that can sire premium commercial calves in farm and ranch herds, and several outstanding herd bull prospects for strong, registered herds — sired by such outstanding bulls as KAIR FINANCIER, GOLDEN OAK TALISMAN, KIRKTON GOLDEN STAR, CRICHTON BAMANGWATO, HHF SCOUT BOUNCE, BOWOOD ROYAL LEADER 11th and two outstanding Polled Shorthorn bulls sired by COLLINSBY MASTER 2d x.

The females include 10 cows with calves at foot, 28 bred cows and heifers and 11 open heifers. They are daughters of outstanding herd sires and mated to bulls of outstanding bloodlines and individualities. This is positively the greatest group of females ever offered in one of these annual sales. Previous buyers in these annual sales have found these females profitable investments. High quality, well-bred individuals that will sell within any buyer's price range. Some of the best herd bulls in the State of Texas are owned by members of this association.

All cattle are healthy and fully guaranteed, and T. B. and Bangs tested.

MISS GLADYS -- A big, dark red two-year-old cow -- double-bred granddaughter of Uppermill Comrade --- with a big February 26, 1958 roan rull calf sired by Kair Canute, three-quarter brother of the 1957 International Reserve Champion. Here's something good!

On the following pages you will find the pedigrees of three bulls not only to which the following 9 lots of females have been mated and are owned by John Boren, Jr., but you will find their same valuable service represented throughout various consignments in this sale.

Mr. Boren is the largest consignor of females to this sale, having dipped heavily in his herd to help guarantee a top offering. In order to do this he has included some of the members of his successful show herd -- unusual top quality, along with the most prominent Scotch bloodlines available to the breed.

KAIR CANUTE -- is siring wonderful headed thick deep-bodied calves. Quoting Billy Anderson, of West Liberty, Iowa, that Calrossie Crocus Count the sire of this bull was in his opinion the best bull that he saw in Scotland during his 1957 visit. This bull is a three-fourths brother to Kair Ranger which is being used by Marellbar Farms. He is also a half brother to this years Reserve Junior Champion of the Perth Shorthorn Sale in Scotland.

KAMAR RAINEY LANCASTER - This bull was purchased from the Scofield Ranch, Austin, Texas, and was being used as my Junior Herd Sire. His calves have been excellent. He was good headed, heavy-boned, had extreme length of body and stood on very short legs. I had shown this bull during the 1956-57 show season and he was Junior Champion at Tyler and Waco, and Grand Champion at several other shows. His dam was shown to seven straight Grand Championships in 1950. I had the misfortune of losing this bull in December, 1957.

CHAPELTON CONSORT - is sired by Cruggleton Balmoral who has been used in four different herds in Scotland and is recognized as the second best bull in Scotland today, in regard to siring top calves. He is second only to Calrossie Crocus Count. A son of Chapelton Consort, Chapelton Bonaparte, is being used in the Duncrahill Shorthorn Farm in Scotland today as their Junior sire. A half-brother to Chapelton Consort, Chapelton Napoleon, was sold to the Argentinas for \$14,000. Chapelton Consort is good headed, heavy boned, and has tremendous length of body. I am very well pleased with his calves.

The following 5 heifers have all been mated to G SUNNYSIDE MAX, the top-selling bull in the 1956 Oklahoma Shorthorn Breeders' Sale, that was purchased by Charley Miles, Valley Mills, Texas. This bull was bred by O. H. Deason & Son of Ft. Cobb, Oklahoma, who also bred the International grand champion steer, Big Boy. Members of the Ellis County Shorthorn Breeders' Association have tried to bring the best Shorthorn bulls available into service in their herds.

Your attention is called to the Scofield Ranch Sale at Austin, Texas, on Monday, May 5. Buyers from a distance attending our sale on Saturday will find transportation available with some of our members to Austin, Texas, on Sunday.

HERE IS AN OPPORTUNITY TO ATTEND
TWO OUTSTANDING SHORTHORN SALES
IN ONE TRIP

HERE ARE SHORTHORNS . . .

THAT CAN DO THE JOB FOR YOU

Shorthorn cattle are money-making cattle. Year in and year out, through high times and low, through lush years and drought, the Shorthorn cow goes about her business of producing a calf each year.

The breed is a practical breed — prolific, popular, profitable, and pliable. They are at home anywhere — all over this country and continent, and everywhere in the whole, wide world.

Now, at a time when the great southwest is finding it wise and profitable to restock its pastures, the Ellis County Shorthorn Breeders' Association makes available its largest offering. These are men who have stayed by their cattle, they have been busy increasing the size of their herds, they have brought in new bulls, the best obtainable. Now they are in a position to share this production with you, and I know you will like the good set of bulls and females available for your selection on MAY 3rd.

—Merv Aegerter, Sale Manager

ELLIS COUNTY SHORTHORN BREEDERS' ASSOCIATION SALE

Standard Guarantee of the American Shorthorn Breeders' Association

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller. Cows with calves at foot even though bred are not given any guarantee.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's Disease of the state or country into which they may be shipped.
6. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.
